1	Hall - Lights out	Hall	Hall is blackened Lights out			00:00:10	00:00:00	00:00:10	00:00:10	Use of spotlights/flood lights with dimers if Hall lights need time to reboot. Great suggestion Marilyn

Whilst video 1 and 2 are playing Dancers in their 'Dream outfits' move quietly and gather in the centre of the floor. One suggestion is that the dancers gather around a miniature Uluru which is wheeled in at the same time as the dancers come to the centre of the floor. The caller could come out of or from behind the Rock and sing.										
3	a. Movie clip of <b>Darwin 2021 Handover Ceremony</b> b. Have smoke coming from the screen area whilst the video is screened.	Slide	Slide projected on screen. <b>Hall still darkened</b> .		Play on screen	00:00:45	00:03:55	00:04:40	19:34:40	
6	a. House lights up and dancers are on the floor ready to perform dance. <i>An alternative to the house lights going up is to have spot/flood lights on the sides of the hall. These spotlights would have colour filters like our logo. The colours would flood the floor creating a splash of our Logo.</i>	Dancers	Floor area	Caller singing square dance or simple line dance routine with revised words to include 'Living Our Dream', Darwin 2021 and Together to the John Williamson - 'Raining On The Rock' tune. Caller could appear to come up and stand on the Rock.	Display Slide	00:03:30	00:04:30	00:08:00	19:38:00

Play Elvis' <i>If I Can Dream</i> in the background as people leave the floor. I'm not sure, there could be a more appropriate song? The video can be converted to a MP3 sound file.										<i>If I can Dream</i> by Elvis Presely
